SKU: USBAUSBB10FT
MSRP: $14.99

UPC: 810189121768

- USB-A to USB-B printer / peripheral cable — USB 2.0 (480 Mbps)
- Connects PCs and laptops to printers, scanners, audio interfaces, MFPs and external hard-drive enclosures
- Premium-shielded conductors preserve signal integrity across the full cable length
- Tested for compatibility with all USB-A hosts and USB-B peripherals
- Backed by a 2-Year Limited Warranty

Engineered for Reliable Connections

Bull Creek Technologies USB-A to USB-B cable connects PCs, laptops and USB hubs to USB-B peripherals — printers, scanners, multifunction devices, audio interfaces and external drive enclosures — across the standard 4-pin USB-B square-shaped peripheral connector.

USB 2.0 (480 Mbps) delivers fast, reliable data transfer for everyday office printing, document scanning, audio recording and external storage. Premium shielding preserves signal integrity even at full cable length, so you get clean signal and consistent connectivity across mixed USB 2.0 and USB 3.0 environments.

Plug and play — no drivers required for USB device connectivity. Backed by a 2-Year Limited Warranty.

Technical Specifications

- Type: USB-A to USB-B Cable
- Plug and Play: Yes — no drivers required
- Manufactured in: Vietnam
- UPC: 810189121768

System Requirements
